

ENGL 3222: British Lit – Victorian Era
Prof. Elizabeth Weston – Lambuth Campus
Online

This course will explore Victorian fiction and poetry in relation to historical and cultural context, especially in terms of how the literature reflects and reacts to social change. We will read realist, Gothic, and fantastical novels and short stories, as well as a selection of poetry from the mid-19th century and the decadent/aesthetic writers of the 1890s.
