

Instructor Development Workshop

Ashley Roach-Freiman

Library Instruction Curriculum Coordinator,
Associate Professor, University Libraries

Innovations in Research Literacy Using GenAI

✓ Understand “Feeling Rules”

Know how you actually feel about GenAI, not just what you’re told you should feel.

✓ Global + Cultural Impacts

Place GenAI in a broader context to understand how it works and what it does.

✓ Make Values-Oriented Policy

Discuss how you might approach GenAI in your classroom with your colleagues.
