

# Faculty Teaching Observation Pre-Observation Worksheet

(for classroom, lesson and rehearsal observations)

The faculty being observed will provide this information to the Peer Review Committee prior to the first observation. The committee chair will gather this and other classroom materials and submit them to each member of the evaluation team.

This form is appropriate for the pre-observation meeting for classroom, lesson, or rehearsal, and is for evaluation team use only—not to be submitted with the team's peer review.
