A MESSAGE FROM THE DIRECTOR

Dear Candidate,

Thank you for your interest in the Rudi E. Scheidt School of Music at the University of Memphis (UofM). It is an exciting time at UofM and the School of Music. We are in the midst of a university-wide strategic plan, and the School of Music has entered a historic chapter with the opening of the Scheidt Family Performing Arts Center, the launch of new academic programs, and record enrollment gains. As a faculty member in the School of Music and the College of Communication & Fine Arts (CCFA), now is the time for someone to bring their enthusiasm and new ideas to help us shape the lives of future artists so they can have an impact on an evolving, global community.

Like Memphis, the Rudi E. Scheidt School of Music is on the move. As the only doctoral music program in Tennessee and home to 30 distinct areas of study, including music business, music therapy, audio engineering, and popular music, there are plenty of opportunities for research and creative activity within the school, CCFA, and across our R1 campus. We are also very fortunate to have dozens of strategic partnerships across the community, which allow for internships, fellowships, and teaching and performance opportunities within professional arts organizations.

In fall 2023, the school implemented the most significant changes to our undergraduate music curriculum in decades to position our students to be competitive for fulfilling careers across the creative industry. We have woven key professional skills (such as music business, technology, pedagogy, presentation skills, the creation of music, and multi-genre artistry) throughout our degree plans, uniting our coursework behind a central goal and positioning the school to have one of the most forward-thinking programs in the country.

A cutting-edge curriculum demands cutting-edge facilities, and in spring 2023, with much fanfare, UofM opened the \$40 million Scheidt Family Performing Arts Center. This major addition to the School of Music is a beautiful, state-of-the-art facility boasting an acoustically superior 900-seat concert hall, professional recording studios, several large rehearsal spaces and specialized practice rooms. This school is designing musicians that will be ready for a multitude of opportunities anywhere in the world.

With its rich culture and vibrant arts scene, there are few places better for a musician than Memphis, TN. We are exceedingly fortunate to have a superb faculty and staff who are incredible colleagues and are eager to achieve new heights of excellence. It could not be a better time to join our ranks.

I thank you for your interest in being a part of the Rudi E. Scheidt School of Music and I welcome your application to join our program!

Go Tigers, Go!

UNIVERSITY OF MEMPHIS OVERVIEW

The [University of Memphis](#) (UofM) is a comprehensive, internationally recognized, urban public research university preparing students for success in a diverse, innovative, global environment. Student success, service, innovation, diversity and inclusion, collaboration and accountability are core values at the University of Memphis.

The University is classified as “Carnegie R1” or “Doctoral: Very High Research Activity and Community Engaged” per the Carnegie Classification for Institutions of Higher Learning. With a focus on research and service benefitting communities locally and across the globe, we are home to nationally designated centers of excellence in cybersecurity research and education, transportation workforce development, mobile health data and five Tennessee centers of research excellence.

The UofM is dedicated to providing the highest quality of education to a diverse student body that includes members who are of all ages, racial and ethnic heritages, backgrounds (including a significant proportion of students who are Pell eligible), as well as veterans and first-generation college students. Academic degree programs at the undergraduate, masters, doctoral and professional levels as well as certificate programs are offered on the main campus in Memphis, the Lambuth campus in Jackson and through UofM Global. The UofM awards approximately 4,700 degrees and certificates annually. Talented and innovative faculty have developed both undergraduate and graduate programs that are ranked in the top 25 nationally. Our metropolitan setting has enabled us to build a nationally recognized internship program that facilitates the placement of undergraduate and graduate students throughout the community in nonprofit and for-profit organizations that specialize in healthcare, government, transportation and logistics, music and entertainment, medical devices, banking and the arts.

Founded in 1912, we welcome more than 21,000 students to campus every year. Diversity is one of our strengths. Students and faculty come from all over the world to be a part of the UofM experience. The campus boasts 25 Chairs of Excellence and five state-approved Centers of Excellence.

MISSION

Produce well-rounded, successful graduates and cutting-edge research for the enrichment of our ever-changing society.

VISION

To become a nationally recognized public research university.
