College of Education

The <u>Department of Counseling, Educational Psychology & Research</u> (CEPR), housed in the <u>College of Education</u>, is responsible for the coordination of counseling programs for the University of Memphis.

Our doctoral program in Counselor Education and Supervision and our MS degrees in Clinical Mental Health, Clinical Rehabilitation, School, and Vocational Rehabilitation Counseling are accredited by the Council for the Accreditation of Counseling and Related Educational Programs (CACREP); our doctoral program in Counseling Psychology is accredited by the American Psychological Association (APA). Our MS programs in Addiction Counseling and Marriage, Couple, and Family Counseling are brand new and have not yet undergone the CACREP accreditation process. Graduates are qualified to apply for licensure in Tennessee. Graduates are also qualified for licensure in many, but not necessarily all, other states and territories. Licensure reciprocity is complicated, and states often have additional requirements that must be fulfilled at the time of licensure or within the license renewal cycle when moving to a new state.
